

To Whom It May Concern,

I recently retired as a long-time Paralegal with Sirote, Permutt, P.C. Law Firm in Birmingham, AL... after a fulfilling and illustrious career at the firm for over 37 years.

I've been fortunate to have known Charles Allen as a long-time and very trusted friend of almost 40 years. I reached out to Charles in requesting that he assist me with my entire retirement-planning process, as well as my post retirement 'nest egg' management. Charles and his entire SafeBridge 'team' have proven to deliver an exemplary job in exceeding my expectations in terms of asset protection, tax-efficient accumulation of assets – as well as assuring my needed level of tax-efficient retirement income going forward.

Most of all, I know Charles to be an exceptionally loyal friend and dedicated pro – who demonstrated the highest degree of integrity with all of his business dealings with me, as well as all other who I know.

I would strongly recommend Charles and his entire SafeBridge 'team' to everyone I know who is serious about protecting and growing their retirement 'nest egg'.... and generating their necessary level of income for life thereafter - during the special retirement years.

Respectfully,
